Debbie called the meeting to order at 5:58. Role is noted. Sam is on vacation and Kelley and Kim asked to be excused. Item 8 in the Directors Report has a sentence that needs to be two sentences. **Pete moves to accept the minutes with corrections. Jack seconded and there was no more discussion and the motion passed unanimously.**

No Personal Appearances.

Park Report. Gwen said she thought the Turkey Trot was a great event.

Recreation Report. Nancy wanted to make sure everyone understood the reimbursement rates for child care subsidies from Ohio Department of Job and Family Services. Their rates haven't changed since 2011. They are now changing rates based on a 2016 market study. The school age child rate has decreased but the summer weekly rates have increased. We will require all families to attend part time instead of hourly. That means they must come to KPR Kidz Club 7 hours a week. We are open 24.5 and they are all approved for part time. We have a new system for the parents to log in and out and can check reports to be sure the kids are attending at least 7 hours.

Director Report

1. The replacement of the pole and streetlight are scheduled for next week.
2. Council passed a resolution supporting the Cuyahoga River Water Trail.
3. A letter has been sent to the easement owners and John learned John Epling's son is buying his father's interest and is very excited about the renovations. EDG will start a surveying next week.

At 6:07 the meeting ended.
